Read More …As a vehicle, the Mi MIX 2 is part of my personal experience when it comes to the IFA 2017. I have used it for more than two days, and you can read our first impressions of the smartphone on this post. At the end of this post, you can find all of the specifications of this device, including the price. Mi MIX 2 is a little bit bigger than its predecessor, but at the same time, it is more ergonomic. With the "crown" on the outside of the smartphone, you can use it with one hand. The screen becomes an essential part of the product and I have not experienced any screen burn-in. A few days ago Xiaomi made the appearance at the IFA 2017. The Xiaomi MIX 2 was unveiled with an amazing display. This smartphone is amazing, one of the best smartphone I have ever used. Below you will find the full specifications of the Xiaomi MIX 2. Good price The Xiaomi MIX 2 has a price of 199 euros. Great price for a smartphone this huge, with amazing hardware. By the way, this smartphone comes with 4GB of RAM, 128GB of storage and a Snapdragon 821 processor. Mi MIX 2 Review The Xiaomi MIX 2 is a smartphone which is definitely exciting. The design of the smartphone is really cool and the display is amazing. Here you 6a5afdab4c
